

The 16th of October 2019

Motion regarding dismissing the President of UMUN

Background

The project UMUN has been proven hard to complete this year. In a previous motion, "Motion angående tillsättande av Projektledare för UMUN" we as a board voted to appoint James Janani as the President of UMUN. Since the project will no longer happen we suggest dismissing James as the president.

Pleading

May the board decide:

To dismiss James Janani as the President of UMUN.
