## Motion regarding UF Model United Nations

### Background

During many years UF has done a MUN, Model United Nations, with the Uppsala United Nations Association as co-organizer under the name Uppsala Model United Nations, UMUN. It has however proven difficult to proceed with the project this year and UF has instead the possibility to do a Model United Nations by itself. To maintain the knowledge about how to organise a MUN, as well as to secure future financing we suggest that UF do a MUN during the spring of 2020 under the name Utrikespolitiska Föreningens Model United Nations, UFMUN.

### Pleading

*May the board decide:*

that UF organises its own Model United Nations under the name UFMUN
