

## Motion to Approve Career-Trustees

### Background

In order to assist the Head of Career in her work, two persons have been nominated to fill trustee-positions. Motivations for the two, provided by Head of Careers Gizem Tütüncü, are as follows:

#### **Trustee for Career Day - Matilda Killander**

*Matilda is studying social sciences at Uppsala University and is 23 years old. She is active in Jusek and has experiences from different career fairs. At Jusek, she is working with contacting different actors and organizations for career fairs and she has also been involved in last years Career Day representing Jusek. During the time I have been working with Matilda, she has shown great qualities of a project leader. I believe that Matilda has qualities and experiences that would benefit the Career Day group.*

#### **Trustee for the Academy - Didar Alpergin**

*Didar is studying law at Uppsala University and is 20 years old. She has previously been active in the UN youth organization and the Red Cross youth organization and has a lot of ideas for the academy. She is well-organized and has a good communication with the rest of the group and contributes to a good atmosphere when we are working. I would gladly like Didar to become a trustee for the Academy-group .*
