

## Motion regarding the 2020 UF Gasque

### Bakgrund

Every year UF organizes a gasque, which is very appreciated by the members and works as a gathering occasion for the organisation as a whole. To be able to organize it we need a suitable venue - we have been in contact with numerous different nations, but ultimately recognize Östgöta Nation (ÖG) as the best possible choice. One contributing factor to this has been the pleasant communication and how quick it has been. Also, they have met our demands about the subject of dinner.

Clara Alm, as treasurer and signatory, have already signed a temporary contract to book a preliminary date of the gasque.

### Purpose

The purpose of this motion, is to allow us to continue the detail planning of the gasque, in addition to sign a complete contract with ÖG. Furthermore, the Board agrees to, in accordance with ÖG's demands, that in the unlikely event of us having to cancel the gasque 30 days before the dinner pay 5000 kr in fee to ÖG, and if it is canceled only 7 days before the event pay 10 000 kr.

### Pleading

*May the Board decide:*

to allow Östgöta Nation to be the venue for the 2020 UF Gasque?
