

Motion regarding the appointment of new trustee and editor

Background

One of Uttryck's current editors, Axel Lundell, has chosen to step down from his position due to not being able to devote enough time to the magazine. He has therefore decided to let someone else acquire the position. The editors-in-chief have decided to choose one of the prime trustee candidates whom we interviewed in the beginning of autumn: Charlotte Renström.

Purpose

The purpose of this motion is to appoint a new trustee and editor who can devote time to and work with Uttryck Magazine. We have therefore decided to nominate Charlotte Renström who has showed great interest in the position earlier and has written for the magazine as well. She has a lot of interest in politics, language and has also experience as a professional freelance journalist. We deem her a perfect fit for Uttryck Magazine!

Yrkande

Can the board decide to appoint Charlotte Renström as new trustee and editor for Uttryck Magazine?
