

## **Change of titles of the Activity, Radio, and Travel Coordinators**

### **Background**

For some time now, the different board members that work under the title of “coordinators”, have been presenting themselves as “Heads” of their respective group in the Association. Despite officially being titled as “Coordinators”. This becomes evident where, for instance, the Activity Coordinators have been signing motions with “Heads of Activity”, instead of “Activity Coordinators” (!). In addition, all the “Coordinators” have expressed a will to change the title to “Head of XX “.

### **Motivation**

Every other board post that is not the presidium is already named “Head of XX “, like Head of PR, or Head of Careers, just to name a few. By changing the remaining Coordinators to Heads, it will create a more coherent and professional look. It will also give the Coordinators more of a feeling of being in charge, rather than just “coordinating” their respective groups.

### **Pleading**

Can the Board decide to:

change the titles of Activity Coordinators, Radio Coordinator, and Travel Coordinator, to Heads of Activity, Head of Radio, and Head of Travels respectively? (The Swedish names of “Aktivitetsansvariga”, “Radioansvarig”, and “Resansvarig” remains the same.)

### **Signatories:**

Ebba Berg Gorgen, Head of Travels
