

## Decision on Long-Term Corona Strategy

### Office

#### *First round of decision*

1. to continue with the policy of our last decision - do UF work at Office but don't go there just to study
2. to make up a new policy that allows us to be there just for study

The board votes for option number 2.

#### *Second round of decision*

1. to make this policy only applicable to board members
2. to make this policy applicable to board members + trustees (no others)

The board votes for option number 1.

#### *Third round - policies*

##### General:

to make Office and our venues prioritized for work but regarded as a study space as others at Eko where you will have to keep distancing and not crowd it

##### Specific:

to set a people limit on people in Office specifically  
to use a sign-up for showing when you are

The board votes to set a people limit on people in Office, and to set this limit at 5.

## **Corona Policy**

### *First round*

1. *to* keep the previous of policy
2. *to* apply a stricter policy

The board votes on option number 2.

### *Second round*

1. *to* take all operations + smaller meetings digitally
2. *to* take only operations digitally with meetings up to the group heads

The board votes on option number 2.

### *Third round*

1. *to* take these measures until further notice
2. *to* require a new decision when the local restrictions are lifted or changed

The board votes on option number 1.
