

## Material for Decision on Appointment of Activity Trustee

### Proposals

to appoint Tove Sanders as trustee for the Activity Group or  
to appoint one of the other applicants

### Motivation

Dear board members, after having interviews with several good candidates, the heads of Activity have decided to nominate Tove Sanders as our Trustee for the operation year of 20/21.

Tove has had several different responsibilities such as being a General for Polkands Inspark and aswell as being a manager for a restaurant in Germany. Her previous experience with planning and executing events but most primarily, her experience with hosting student events in the Covid-19 era is what made her the perfect candidate as the Activity Trustee. Tove is also pursuing a pol.kand and has expressed her interest in UF and also foreign affairs.

The Heads of Activity therefore strongly believe that Tove Sanders with her experience and qualities is the best candidate for Activity trustee.

The other candidates were Ala Sivets and Julia Lungegård.
