

Material for Decision Point on UF Debate Club Trustee

Proposal

to appoint Klara Strindlund for the trustee position.

to appoint Otilia Ovrarn for the trustee position.

Motivation

Dear board members, the Debate Club have the intention to nominate two excellent trustees. Both Klara Strindlund and Otilia Ovrarn have a wide range of experiences in different types of debate. Furthermore, they possess personal qualities of professionalism, amicability and a passion for debate.

By appointing two trustees, instead of one as in the previous semester, the Debate Club can carry out its operations to the members with increased strength and reliability.

As Head of the Debate Club, I strongly believe that with their experience and qualities the two nominees would make a great choice of trustees.

No other applicants.
