

## Material for Decision of appointing Trustees for Lecture Group

### Proposals

to appoint Linnea Blackmore, Matilda Björklund and Otilia Avram as Lecture Trustees

### Pros and Cons

Lecture Group plans to appoint three trustees that will help out with tasks involved with arranging weekly lectures for UF Uppsala. These three trustees are chosen on merit and personal qualities. The appointment of these trustees will make the work of Lecture Group more efficient, and will create better conditions for planning and arranging lectures. They are all qualified applicants who we think will greatly contribute to UF Uppsala's operation.
