

Material for Point 8: UFS Elections

The UFS annual election meeting is coming up in about a month. At the meeting, we will elect a new UFS presidium (president, vice president, treasurer, secretary, and communicator, as well as civil accountants and an election committee). At the annual meeting, each Member Association has one vote, meaning that we as a board must decide on who to vote for. Seeing as the meeting is coming up in less than one month, it is appropriate to have this discussion now.

Attached you will find the list of nominations and counter-candidacies, as well as the motivations for those nominated.

Rapporteur

Per Risberg, UFS Representative.
